| Third-party reports | Appraisal, Phase I/II environmental, market study, capital needs assessment for rehabilitation project, construction plans, budget and contract review |

It's so valuable because NeighborWorks Capital gets what we're doing. We don't have to spend a lot of time explaining strategy because they get it, they see the mission. We're very fortunate to have a lender that is so easy to work with. Each loan officer we get has wanted to work together in innovative ways to meet our lending needs."

Sarah Miner, Director of Real Estate, Mutual Housing Assoc. of Greater Hartford
